

# SIERRA MADRE NEWS

VOL. VI.

SIERRA MADRE, LOS ANGELES COUNTY, CALIFORNIA, FRIDAY, JUNE 12, 1914

NO. 37

## G. BLUMER IS AT HEAD OF THE CITY

Mavor John G. Blumer sat at the head of the council table in the city hall last evening. He had been elected at the special meeting on Monday evening to fill the vacancy created by the resignation of Mr. Jones, and also to the chairmanship.

Mr. Blumer accepted the position reluctantly and only after the most insistent and persistent urging by the other trustees and by many citizens. There was a strong feeling that he was qualified to act with the board in determining policies of the city's newly acquired water department as perhaps no other man could do.

Addressing the board following his appointment Mr. Blumer said that he desired to have it placed on record that he had agreed to accept the position of city trustee with great reluctance and against his own judgment so far as personal considerations were concerned; that he had gratuitously served the public in various capacities almost continuously during the past forty years, and now felt that he had reached an age when he might reasonably claim to be excused from further service. As, however, his acceptance for a few months of the position of city trustee had been urged upon him by the present members of the board, as well as by friends and fellow citizens, he felt that under the circumstances, to persist in his refusal would be ungracious, he therefore had reluctantly agreed to serve on the distinct understanding that the arrangement was only temporary.

### Sewage in Canyon

Dr. R. H. Mackerras, health officer and chairman of the board of health, appeared before the trustees to ask for a conference between the two boards and the property owners in Sierra Madre Canyon Park. Serious questions involved in the sewage disposal of that tract demand immediate attention and the conference was set for Wednesday evening of next week. Dr. Mackerras reported on the conference held yesterday afternoon in the canyon by the board of health, the property owners and Messrs. Collins and Mann who promoted the tract.

When the canyon tract was subdivided Mr. Collins announced that they would install a sewer system, requiring all property owners to connect with the mains which would be laid in the streets. Many bought with that expectation and it is said some of the contracts of sale make such provision.

So far no sewer system has been installed. Most of the lot owners have connected with the old Carter's Camp cesspool system and a few have installed cesspools of their own. The board of health objected to the installation of cesspools on the canyon on account of the danger of polluting the water sources from which the city wells lower down in the wash draw their supply during the pumping season.

Mr. Collins apparently does not wish to install a sewer system at his own expense, saying there is no need to do so until the city of Sierra Madre has a complete system. He takes refuge behind the city ordinance requiring a cesspool for every dwelling house on the lot occupied by the dwelling. He has managed to persuade a number of the canyon property owners that they will be liable to prosecution if they do not comply with that ordinance.

The position taken by the board of health is that the canyon property is water bearing land, presenting a special condition not found elsewhere in the city, and aggravated by the large number of small lots. On account of that special condition they claim the city ordinance is superseded by a state law which makes it a misdemeanor to dispose of sewage or waste so that it will pollute any water supply by drainage, seepage or flow.

Recommendation is made by the health officers that some higher authority, preferably the engineer of the state board of health, be called upon to inspect the situation and make recommendation. They do not wish to force unnecessary expense on anybody. Neither will they sit by and see the purity of the water supply endangered without protest. They are willing, however, to accept the recommendation of the state board in the matter, and at the conference next Wednesday an effort will be made to make arrangements for such inspection.

### TO DISSOLVE COMPANY

Stockholders of the Sierra Madre Water Company will hold a special meeting next Monday evening to vote on the question of incorporating the company. The call was issued a fortnight ago with the urgent request that all stock be represented by the owner or by proxy. Having disposed of all its property to the city the company now has the money on hand and ready for distribution to the stockholders as soon as that can be done after the stockholders decide to go out of business.

## HEARING DIETZ CONTEST

With the count standing 160 votes each for N. W. Tarr and Louis Dietz when the court adjourned last night the contest brought by the latter over the election for city trustees in April looked like an even bet. Mr. Dietz was represented by T. J. K. MacGowan and the trustees against whom the action was directed by C. C. Montgomery as attorneys. Judge Grant Jackson heard the case and proceeded almost at once to a recount of the ballots. It soon became apparent that the court would throw out almost if not fully as many ballots for illegal marking as was done by the election officers. A few ballots which the election officers had counted were thrown out and a few which had been thrown out were counted by the court. The few ballots remaining to be considered are questionable and when the court adjourned until two o'clock Friday the attorneys were instructed to prepare citations on the points at issue. The count will affect the figures recorded for Trustees Beard and Steinberger somewhat but not enough to change the result so far as they are concerned.

## SCENIC POINT PLANS

Plans which H. T. Fennel has worked out for the development of his "Scenic Point" subdivision are graphically and artistically shown in a large watercolor sketch now on exhibition in the News office window where it has attracted much attention. The picture is the work of Louis N. Legendre who came recently from New York to make his home in Sierra Madre, building at the corner of Auburn and Carter avenues. Mr. Fennel has four acres on the elevated point above Carter avenue and west of the new extension of Auburn. He plans to divide it into five plots of varying size. He has so arranged them that each house will have a commanding view of Sierra Madre and the valley below, but none of the five will obstruct the view of any of the others. The tract is to be parked on a scheme which will give the whole an artistic effect and yet preserve a full measure of individuality for each lot.

## TOO MUCH FAMILY

One of Sierra Madre's young married men got the shock of his life the other day. Wishing to talk to his recently acquired wife he took down the telephone receiver and gave the operator his house number. In a moment there was an answering "Hello," but at the same time came over the wire a squally sound which prevented him from realizing that the "hello" was in an unfamiliar voice. Being unable to identify the sound at the other end of the wire he asked "What's that noise?" "Just the baby" was the answer which came to him in a matter of fact tone from, as he supposed, his wife. Something of a jolt, it must be admitted, for even an ardent opponent of race suicide. "Well, what the—? Whose baby? Say, who is this anyway?" he demanded. The answer brought the comforting assurance that he had not been talking to his own wife, having been given the wrong number.

## HOME OF TRUTH

Devotional services at the Home of Truth, corner of Auburn and Carter, Sunday at 3:30 p. m. Services conducted by Harriet C. Hamor. Everyone cordially welcome. Sunday school at two o'clock. All children welcome.

## PLAN STORM DRAINS

City Engineer Henry Gierlich of Monrovia has completed maps for a storm protection district for the Santa Anita wash, and with the petition for the establishment of such a district, has filed them with the officials of the county surveyor's office, according to the Monrovia News. Mr. Gierlich has the promise of the county engineers that the work will be taken up immediately, and rushed through as speedily as possible, in order that the ranchers owning land adjoining the Santa Anita may get the earliest possible protection.

The work accomplished by Mr. Gierlich is preliminary to the legal and engineering work which must be done before the district can be formed. It is not probable that the actual work of building protection dykes will be started this year, owing to the magnitude of the undertaking, but it is hoped that all the "advance skirmishing" will be finished this summer and autumn.

### Storms Always Menace

That ranchers should never lose sight of the fact that storms and storm water are always a menace is what Mr. Gierlich wishes to keep before their minds. During the dry season flood damage seems so far away and improbable, and the idea of spending money for protective measures does not meet with the enthusiastic approval that it does just after a stream has cut away valuable land.

That the Santa Anita protection district will be established is reasonably certain from the fact that prominent land owners have interested themselves in the project. Milton Kaufman, J. E. MacIntyre and high-up officials of the Santa Fe railroad are behind the movement for protection and fifteen property owners along the course of the stream have signed the petition to confine the stream from the mouth of Santa Anita canyon to the San Gabriel river.

## BOARD OF TRADE PICNIC JULY 16

About the most important matter coming before the Board of Trade at its meeting Monday evening was the ordering of the annual picnic for Thursday, July 16, to be held at Balboa Beach. The entertainment committee of which G. Hallet Johnson is chairman asked for instructions regarding the time and place for holding the picnic.

Discussion of the merits of various beaches resulted in the choice of Balboa as new and different for the purpose. There is a fine beach on the ocean front, with a beautiful bay for those who prefer to swim in still water. Rowboats, canoes or launches are available for those who wish to go boating. There is a large dancing pavilion and many other interesting features combine to make it an attractive place for the picnic.

Don't forget the date, Thursday, July 16. Plan to go and take the whole family. Mr. Johnson is now at work in an effort to secure attractive excursion rates and amusement concessions for the visitors. A program of sports and games will also be arranged.

In the past the annual beach picnic has been one of the big events of the year. It is an excellent get-together occasion and a good time always results.

### School Bonds Indorsed

By invitation Prof. E. T. Pierce, president of the board of school trustees, addressed the gathering on the subject of the school bond issue which is to be voted on next Monday, June 15. He outlined somewhat at length the plans of the trustees for adding to the school's building equipment on the cottage plan, providing an auditorium, a building for manual training, a model cottage for the domestic science work, kindergarten department, and a complete new system of plumbing. He said the new buildings would harmonize with the present building and would be built as economically as possible. At the close of his remarks the meeting voted heartily to indorse the bond issue.

## SIERRA MADRE RAINFALL

Season 1913-14	
November .....	4.06
December .....	1.89
January .....	20.63
February .....	15.56
March .....	.78
April .....	1.63
May .....	.47
June 2 .....	.03
5 .....	10 .13

Total to date .....

Rainfall for corresponding period in 1913, 20.45 in. Average for the month of June 0.18 in. Heaviest rainfall in June, 1913, 1.56 in; in June, 1899, 1.48 in. For 10 out of 25 years no rain has fallen in June.

## CITIES PRESENT OPPOSING CLAIMS

South Pasadena and North Alhambra people had their hearing before Commissioner Thelen of the state railroad commission last week, in an effort to compel all Sierra Madre and other through cars to make stops at La Senda and other points on their portion of the four track system. Their plea was that the El Molino local cars are too slow and the through cars are seldom loaded except during rush hours.

Messrs. Moote and Montgomery were summoned as witnesses on the other side to tell the disadvantages to the more remote cities, should the petition be granted. The matter was taken under advisement and it is apparent that the commission is considering the whole situation, including the plea of Sierra Madre commuters that even the Fletcher avenue stop be eliminated. That the more distant towns will have due consideration is evident from the remarks of Commissioner Thelen to the South Pasadena petitioners when he said:

"Rapid transit is what helps to develop outside towns. If the people living in Sierra Madre, Monrovia and Glendora could not have that through car service, they would be less desirable as residence places and the cities would suffer for want of proper transportation. It does not seem to me that you are fair in asking that this service be taken away to accommodate you when you have what in San Francisco would be considered good service."

## PASADENA EXPANDING

Pasadena seems to have started on a program of expansion, not to be outdone by Los Angeles, though seemingly actuated by somewhat different motives. At a special election last week a large district on the west side of the Arroyo Seco voted to join the Crown City. Part of the district is contiguous to Los Angeles and had voted down at least two propositions to join that city. Analysis of the situation seems to indicate that the motive in joining Pasadena was as much to prevent absorption by Los Angeles as for any other reason. Now there is a movement on to extend the Pasadena city limits toward the northeast, taking in a large district on the hillside in the direction of Eaton's canyon.

## MOVING BIG PALM

Sierra Madre people were interested and even astonished at the transportation of a huge palm through the streets on a truck on Sunday. The tree had been dug up and loaded bodily on a big truck which was drawn by six horses. The driver expressed the opinion that its weight was between six and eight tons. The tree was brought from Los Angeles for W. S. Collins, to be planted on the grounds where he expects to build on the knoll to the east of Sierra Madre Canyon Park.

## STATE HIGHWAY NEWS

A number of the California Highway Bulletin will be published by the Highway Commission on July 1, giving a summary of the work done up to date in laying out and building the state highway. It is the intention of the Highway Commission to publish the Highway Bulletin quarterly in order to give answers to the large number of requests for information about the state highway. The magazine will be published without any commercial aspect, and will be devoted solely to statements about Highway construction and progress. It is published for free distribution and any California citizen who desires a copy may obtain one by writing to George B. Harrison, Editor Highway Bulletin, Rialto Bldg., San Francisco, Cal.

Guests at Sturtevant's Camp the coming summer ought to appreciate the piano music which will be available there, in view of the difficulties which had to be overcome in getting the piano into camp. Manager Beard advertised a piano as one of the new attractions in camp and on Thursday set out to make good on the advertisement. The eight-mile pack over the Sturtevant trail looked too strenuous. So he had the piano hauled to Mt. Wilson over the toll road. From there it will be taken down the steep trail three miles to Sturtevant's Camp.

## HIGH SCHOOL CLOSES

Sierra Madre furnishes seven members of the class which will be graduated from Pasadena high school this year. They are Katherine Schwartz, Helen Williams, Helen Janson, Lucile Sparks, Marshall Wright, William Wright and Victor Hill. The class numbers 179, of whom 106 are girls and 76 are boys.

## THE EPISCOPAL CHURCH

Church of the Ascension, the Rev. Dr. Geo. H. Cornell, rector. Vested choir. First Sunday after Trinity. Sunday school 9:45 a. m.; morning prayer and sermon 11 a. m. All are cordially invited.

Miss Hallett Johnson was the charming little hostess at a delightful dancing party given to the members of the dancing club last Saturday evening at the Johnson home on Grand View avenue. The evening was pleasantly spent with games of various kinds and dancing—and very dainty refreshments were served. The guests were the Misses Coralie Brown, Bernadette Brown, Eleanor Hinton, Elsie Webster, Esther Olsen, Margaret Allen, Margaret Bravinder, Marie Francis, Gladys Kimball, Beth Krebs, Helen Seeley, Theresa Nichols, Bae Farman and Lucille Whitworth, Messrs. Hall Perry, Malcolm Lyon, William Seeley, Donald Saunders, Kenneth Saunders, Karl Hart, Harold Hart, Franklin Wright, Guy Steinberger, Francis Francis, Bryant Esick, Harold Pegler, Kellogg Krebs, Richard Bravinder, and Robinson Locke.

## SCHOOL BOND ISSUE IS UP NEXT MONDAY

Don't forget the school bond election next Monday, June 15. The school trustees have been asked for a bond issue of \$12,500 for the purpose of erecting needed additions to the buildings and further increasing the school equipment. The proposal has received the hearty indorsement of the Woman's Club and the Board of Trade, given at largely attended meetings without a dissenting voice.

With the money now requested the trustees expect to make the Sierra Madre school the best equipped and most efficient to be found anywhere in the county. Included in the things which they purpose providing are:

First, an assembly room that will accommodate the whole school.

Second, a cottage building for Household Economics.

Third, two small cottages connected by a pergola to accommodate the first grade, primary and children who may wish to attend a kindergarten, which department is to be established.

Fourth, a small building for manual training connected with which will be several shower baths for the boys.

Fifth, to furnish the four departments above mentioned with the exception of the manual training.

Sixth, the installation of newer and more sanitary toilets.

Seventh, grading the grounds back of the building so that they may be the better used for the athletic exercises of the school.

Eighth, drinking fountains of the most modern sanitary construction on different parts of the grounds.

## CONGREGATIONAL CHURCH

The Children's Day program will be rendered on Sunday morning at eleven o'clock, with a short address by the pastor. The offering by the children is for the department of Sunday school work in our missionary budget. We hope for \$14.

The C. E. topic is, "How Employers and Employees Should Work Together."

At the evening service the pastor will speak on "The Life Story of Jacob."

Remember the Sunday school picnic, on Saturday, June 20, at Griffith Park. W. H. HANNAFORD, Pastor.

## PASSING OF MISS CONE

Miss Cynthia Minerva Cone passed away on Sunday at the home of her sister, Mrs. William Wallace, 129 W. Montecito avenue. She was sixty-seven years of age and had been a sweet spirited, patient sufferer through a long illness. She had resided in Sierra Madre with her sister during the past two years. She is survived by three sisters and two brothers, Mrs. Wallace and Mrs. Harriet Woods of Sierra Madre, Mrs. Richard Clark, H. M. Cone and A. S. Cone of Illinois. Funeral services were held on Wednesday in the parlors of A. T. Gay, Rev. Stubbins being in charge. The remains were laid to rest in the Sierra Madre cemetery.

## PLANS BIG COUNTRY CLUB

Monrovia News.—To transform the ruins of a once world famous racing course into a magnificent country club, with golf links, tennis courts and a polo ground, is the ambition of Mrs. Anita Baldwin McClaughry, daughter of the late "Lucky" Baldwin, according to hints dropped by Mrs. McClaughry before her departure last week for New York City, from where she will sail this month with her two children, Baldwin and Dextra, for a three months' tour of England, Switzerland and France. Mrs. McClaughry, according to rumor, is contemplating the conversion of the Santa Anita race track, just west of Arcadia, into a modern millionaires' playground, and will take up the initial steps in the work upon her return to America.

Mrs. McClaughry is much interested in fine riding horses, especially polo ponies, and owns some of the best thoroughbreds in the West. At the annual horse show held recently in Pasadena, her entries from her Santa Anita Rancho took a large number of prizes, and the trophy given for the greatest number of prizes taken by any one exhibitor. The trophy is a beautiful hand-wrought silver horseshoe, 13x15 inches in size, the band being 2½ inches wide.

Santa Anita race track was one of the fastest and most attractively located tracks in the United States. "Lucky" Baldwin realized, it is said, his life's ambition in its building.

### Arcadians Enthusiastic

Should the proposed transformation of the racing course be accomplished, citizens of Arcadia predict a rapid following of imposing country places, hotels similar to the Green, Huntington and Raymond, and the like. Arcadia is well situated, from the transportation standpoint, for delivering huge crowds to the old race track, and the establishment of a big country club on the western boundary of the city would be a much desired improvement.

# Local Views FREE

Would you like to have a fine photograph of your home or grounds? For a limited time we will make a most liberal offer—

For every person paying an advance subscription to The News for one year we will make a 5x7 negative of their home or other local scene and give a mounted photograph without charge. Post card size if you prefer. First class work guaranteed. If you wish additional prints they will be supplied at a very low price.

We have copies of about 50 local views, 8x10 inches, made by Graham of Los Angeles. We offer your choice of any of these if you prefer.

**NOTICE OF FORECLOSURE SALE**

Sheriff's Sale  
No. B 9090

Order of Sale and Decree of Foreclosure  
and Sale

Alice E. Hutchinson, Plaintiff, vs. Elizabeth  
Coombs Horkheimer and H. M.  
Horkheimer, her husband, Defendants.

Under and by virtue of an order of sale  
and decree of foreclosure and sale, issued  
out of the Superior Court of the County  
of Los Angeles, of the State of California,  
on the 21st day of May, A. D. 1914, in the  
above entitled action, wherein Alice E.  
Hutchinson, the above named plaintiff,  
obtained a judgment and decree of fore-  
closure and sale against Elizabeth  
Coombs Horkheimer and H. M. Hork-  
heimer, her husband, defendants, on the  
1st day of April, A. D. 1914, for the sum  
of twenty-eight hundred and fifty-one  
and 10/100 (\$28,150) Dollars, gold coin of United  
States, which said decree was, on the  
2nd day of April, A. D. 1914, recorded in  
Judgment Book 311 of said Court, at page  
148. I am commanded to sell all those  
certain lots, pieces or parcels of land sit-  
uate, lying and being in the County of  
Los Angeles, State of California, and  
bounded and described as follows:

Portions of lots five (5) and six (6) in  
block fifteen (15) as shown on map No. 1,  
Altadena, in the county of Los Angeles,  
state of California, as per map recorded  
in book 16, pages 45 and 46, Miscellaneous  
Records of said County. Also a strip of  
land adjoining said lots on the north be-  
ing part of Mendocino Street, as vacated  
and abandoned by the Board of Super-  
visors, as shown by map recorded in book  
107, page 159 of said Miscellaneous Rec-  
ords described as a whole as follows: Be-  
ginning at a point in the northerly line  
of said lot 5, 9 feet westerly from the  
northeast corner thereof, thence northerly  
parallel with the easterly line of said lot  
5, prolonged, 16 feet to the southerly line  
of Mendocino Street as established by the  
Board of Supervisors, and shown by map  
recorded in book 107, page 159, Miscellane-  
ous Records of said county; thence easterly  
along said southerly line of Mendocino  
Street, 109 feet; thence southerly,  
parallel with the westerly line of said lot  
5 and the prolongation thereof, 28 feet;  
thence westerly parallel with the north-  
erly line of said lot 6, 75 feet; thence  
southerly, parallel with the westerly line  
of said lot 5, 50 feet; thence westerly  
parallel with the northerly line of said  
lot 6, 25 feet to the westerly line of said  
lot 6; thence southerly along said west-  
erly line 51 feet, more or less, to the  
southeast corner of said lot 5; thence  
westerly along the southerly line of said  
lot 5, 9 feet; thence northerly parallel  
with the easterly line of said lot 5, to the  
place of beginning.

PUBLIC NOTICE IS HEREBY GIVEN,  
That, on Tuesday, the 23rd day of June,  
A. D. 1914, at 12 o'clock m., of that day,  
in front of the Court House door of the  
County of Los Angeles, Broadway en-  
trance, I will, in obedience to said order  
of sale and decree of foreclosure and sale,  
sell the above described property, or so  
much thereof as may be necessary to sat-  
isfy said judgment, with interest and  
costs, etc., to the highest and best bidder,  
for cash, gold coin of the United States.

Dated this 23rd day of May, 1914.

W. A. HAMMEL,  
By W. T. OSTERHOLT, Deputy Sheriff.

SANFORD, HULME & ECKMAN,  
Plaintiff's Attorney.

35-38 Sheriff of Los Angeles County.

## Brief Items of Interest

Mrs. Clarence Hammell of Los An-  
geles was Sunday guest at the Fennel  
home.

Mr. and Mrs. Gerald Farman of  
Monrovia are now residing in Sierra  
Madre.

Mrs. Julia Shannon is spending the  
week as guest of Mrs. B. T. Malsi of  
Los Angeles.

Miss Hopkins of Watsonville is the  
guest of her aunt, Mrs. N. W. Tarr, for  
several weeks.

E. S. Stilson and little son of San  
Marino were in this city on Wednesday  
visiting friends.

Mr. and Mrs. C. H. Cope of Los An-  
geles will be Sunday guests of Mr. and  
Mrs. J. R. Allen.

Miss Hilda Caley is filling the vacan-  
cy in the post office during the absence  
of Miss Elida Olsen.

Miss Jessie Ward is spending sev-  
eral days this week in Huntington  
Beach, visiting friends.

Mr. and Mrs. John Hamor of South  
Pasadena were in Sierra Madre on  
business on Wednesday.

Mrs. Frank Van Oleech of Clinton,  
Iowa, is the house guest of her sister,  
Mrs. W. E. Farman for three months.

Mrs. F. P. Conard will entertain the  
Modern Priscillas on the occasion of  
their meeting next Thursday, June 18.

Mr. and Mrs. C. S. Kersing and  
Katherine left on the Limited on Mon-  
day afternoon for a visit of several  
months in the East.

Mr. and Mrs. W. Mollenkopf and son  
Emerson of Monrovia, and Miss Dunn  
of Orlando, Florida, were guests of Mr.  
and Mrs. E. S. Mollenkopf on Sunday.

Mrs. U. E. Fairbank attended a con-  
cert on Monday night given by the  
Hollywood Chapter, D. A. R., at the  
home of Mrs. L. A. Banks, of Wilton  
Place.

The regular meeting of the Dickens  
Fellowship met with Mrs. E. T. Pierce  
on Wednesday Wednesday after-  
noon. A very pleasant program was  
enjoyed.

Mr. and Mrs. Arthur Johnson, Sr.,  
of North Canyon avenue, left on Sat-  
urday of last week for Long Beach  
where they will remain for the sum-  
mer and early fall.

Mrs. Frank Webber and little son,  
who are guests of Mrs. Hattie Wright  
for the summer, are spending ten days  
in Riverside as the guests of Mrs. Mc-  
Creedy.

Mr. and Mrs. J. G. Blumer returned  
on Monday from a two weeks visit at  
Nordhoff where they have been the  
guests of Mr. and Mrs. William Thacher  
at the Thacher School.

Mrs. Edna Staples Yerxa and little  
daughter Jeannetta, who have been  
spending several weeks with Mrs.  
Yerxa's mother, Mrs. F. J. Sokol, left  
on Wednesday by boat for their home  
in Berkeley.

On Friday evening of June 19th, the  
Woman's Club is planning a very en-  
joyable card party. Mrs. W. W. Col-  
lins, assisted by several others has the  
party in charge. There will be tables  
arranged for five hundred.

Mrs. Clinton Nourse will entertain  
on Saturday afternoon, June 13th, with  
a thimble party, given for the advisory  
board, board of directors and the  
chairman of the various committees  
of the Woman's Club.

Martin Olsen and daughter, Miss  
Elida Olsen, leave today for a trip to  
Seattle, on the S. S. "Bear." They will  
stop in San Francisco, en route, and  
visit friends there for ten days. Mr.  
Olsep and Miss Olsen will visit friends  
in Seattle and Tacoma.

Last Sunday Mr. and Mrs. J. R.  
Allen and Miss Margaret Allen attend-  
ed a family reunion, given by Mrs.  
Allen's mother, Mrs. George Cope, who  
has just returned from the east. All  
the brothers and sisters and their fam-  
ilies were present.

On Saturday evening there will be  
a Flag Day celebration at the Club  
House. Flag Day is on the 14th but  
will be celebrated the 13th. Every one  
is cordially invited to attend and es-  
pecially the old soldiers of the com-  
munity are requested to be present.

A very interesting missionary meet-  
ing was held in the church parlors of  
the Congregational Church on Tuesday  
afternoon. The speaker of the after-  
noon was Mrs. Eaton, who has spent  
thirty years in Mexico and is now with  
the Bethlehem Mexican work in Los  
Angeles.

Laurence Nourse entertained some  
of his Harvard friends with a party at  
the cabins in the Bailey Canyon last  
Saturday and Sunday. The guests went  
up Saturday morning and returned to  
school Sunday evening. Those in the  
party were Messrs Pierce Works, Mar-  
shall Shiffert and Will Smith, of Har-  
vard, and Raymond Andrews, Victor  
Hill and Fred Hinton.

A. S. Mead and family removed on  
Monday to their ranch home four  
miles from Riverside. Mr. Mead will  
spend the summer there before engag-  
ing again in active business in River-  
side. Mr. Gilliland will remain for a  
time in Sierra Madre, continuing head-  
quarters for the present month at the  
Andrews & Hawks office. After clos-  
ing up the Mead-Gilliland Company's  
affairs he expects to remove also to  
Riverside.

Fire of unknown origin on Tuesday  
destroyed a small barn on the place  
occupied by H. W. Timm, on Highland,  
west of Sunnyside. Many volunteer  
fire fighters were attracted by the blaze  
but were too late to save the building  
or much of the contents which in-  
cluded some goods goods which Mr.  
and Mrs. Timm had stored and a num-  
ber of incubators which were not in  
use. It was only by the hardest kind  
of fighting that the house nearly was  
saved.

Miss Ruth Sparks and Mrs. M. H.  
Clark were guests at a quilting party  
in Pasadena on Wednesday.

Harley Hall of Phoenix, Ariz., and a  
former resident of Sierra Madre, is  
spending several weeks here.

Ed. Pelletier who is spending the  
summer at Sturtevant, spent the week  
end at the Nightengale home.

The Eleven and One Club were  
pleasantly entertained at the home of  
Miss Anna Janson on Tuesday evening.

Jean Mannheim of Los Angeles, a  
well known artist, was the guest of  
Dr. and Mrs. L. L. Krebs on Monday.

Last Saturday afternoon Dr. and  
Mrs. L. L. Krebs were guests of Syd-  
ney Soben at the Bryson, Los Angeles.

Mrs. E. L. Yerxa attended the Alpha  
Rho Sorority alumni commencement  
luncheon in Los Angeles on Thursday.

Mr. and Mrs. Rockhold and little  
Jane Adams of Riverside, were guests  
of Mr. and Mrs. A. N. Adams on Fri-  
day.

Sunday dinner guests of Mr. and  
Mrs. A. N. Adams were Mrs. Evelyn  
Sutton and Miss Olive Gebauer of Los  
Angeles.

Mr. Geo. Stockwell and aunt of Los  
Angeles were guests of Mr. and Mrs.  
Frank Fraiberg of Cypress Court on  
Sunday.

Postmaster Dickson had a very  
pleasant trip of several days up the  
coast this week, and returned to busi-  
ness on Thursday.

Mrs. Arthur Johnson Jr., and son  
Arthur III returned last week from the  
east, having spent several weeks vis-  
iting among relatives and old time  
friends in Pittsburg, Pa., and Cleve-  
land, Ohio. The first month was spent  
with Mrs. Johnson's mother at Johns-  
town, the scene of the disastrous flood  
of 1889.

Prof. and Mrs. E. T. Pierce were  
guests last week at one of the monthly  
gatherings of the Pierce family held  
at the home of Dr. Fred Pierce. There  
are seven boys and one girl in the  
Pierce family, and every month a re-  
union of some sort is held, a delightful  
custom which is seldom possible in  
large families.

Mr. and Mrs. H. I. Hawhurst ac-  
companied by Miss McKinnon made  
the trip to Wilson's Peak in their Bu-  
ick roadster Wednesday. Mr. Haw-  
hurst reports the road in excellent  
condition and states that any experienced  
driver whose machine is equipped with  
good brakes need have no hesitancy  
in making the trip, as there are over  
thirty-five "turnouts" on the road.

where autos may pass and which com-  
mand some of the most beautiful val-  
ley and mountain scenery to be found  
in the state. The round trip from Si-  
erra Madre registered thirty-one and  
two-tenths miles, costing forty-three  
cents for oil and gasoline, averaging  
fourteen and a half cents a person,  
while a single fare on the stage from  
Pasadena is three dollars for the round  
trip. Mr. Hawhurst, apart from its  
economic side, believes in the many  
advantages in driving one's own car on  
such pleasure excursions.

Mrs. Laura H. Stevenson and Miss  
Janet arrived in New York on Thurs-  
day, having been abroad for a year.  
They will not reach Sierra Madre un-  
til some time in August, as they will  
be guests of friends and relatives  
throughout the east. Among those  
who will entertain them will be Mrs.  
Carter (formerly Elinor Coffeen),  
known to many Sierra Madre friends,  
and who now lives in Rock Valley,  
Iowa, and also Mrs. Boler of Chicago,  
who spent a recent winter in Sierra  
Madre.

Mr. and Mrs. William Ketchum who  
came from Brighton, Canada, to reside  
in Sierra Madre a year ago, are remov-  
ing to their new home in Los Angeles  
near Eagle Rock Park. Mr. Ketchum,  
whose office address, 512 Auditorium  
Building, will remain the same, will  
always be pleased to see his Sierra  
Madre friends either professionally or  
otherwise.

**To the Lover of Good Coffee:**

We wish to advise you that we have  
installed in our store a new Royal  
Electric Coffee Mill. This machine is  
equipped with steel knives which cut  
the berry into fairly uniform, clean cut  
particles, instead of grinding and crush-  
ing it, as by the old method.

All Coffee Mills heretofore used will  
only crush the berry, mauling the  
minute oil cells, allowing the Coffee Oil  
to evaporate, thus impairing the strength  
and flavor, and in a short time the cof-  
fee becomes rancid, sour.

This is one reason why a pound of  
coffee cut in this Mill will make more  
cups of full strength coffee than will any  
coffee ground the old way.

Royal Cut Coffee is also adaptable for  
percolators of French Drip Coffee Pots.  
Try a pound of our Coffee cut on a  
Royal Mill and we know you will be  
pleased with the results.

## Another Public Letter

In re sanitarium matter: I am greatly indebted to somebody for sending additional clippings from the "Sierra Madre News." Many thanks. January 15th, 1909, the News published under the heading "New Buildings," this item: "Outlook for the coming year indicates best year in the city's history for improvement. That the coming year will be even better than the past year in building operations in Sierra Madre seems assured if one may judge by projects which have already taken such definite form as to seem certain of consummation. . . . Another project which will probably bring a large amount of money into the city is concerned with El Reposo Sanitarium. This property was recently transferred and the new owners expect to expend a large amount of money in new buildings. More detailed information will be given in the near future." Again, we find under date of June 18th, 1909, another news item: "Invitation to El Reposo. A letter was read from Mrs. Haviland H. Lund of El Reposo expressing a desire that the citizens of Sierra Madre and the sanitarium people get closer together in the matter of caring for tubercular and other sufferers. She invited the Board to visit the sanitarium, inspect the place thoroughly and learn of the plans of the sanitarium company. After a discussion participated in by A. S. Mead, Dr. Mackerras and others, it was voted that the directors be appointed a committee to visit the sanitarium for the Board. It seemed to be the general feeling that the citizens should acquaint themselves with the work of the sanitarium enterprise and give it such support as it deserves. The opportunity for mutual help in an enterprise of this sort is one that should not be missed. Again, under date of July 2nd, 1909, we find the following news item: "Visit El Reposo. Representatives of the Board of Trade, Board of Health and city trustees spent last Saturday afternoon at El Reposo Sanitarium inspecting the plant at the invitation of Mrs. H. H. Lund, the manager. Those in the party were Messrs. J. W. Keys, C. W. Jones, R. H. Mackerras, J. A. Osgood, A. N. Adams, M. H. McBride, J. H. Wright, C. E. Morgan, N. H. Hosmer, A. S. Mead, C. S. Kersting. The visit proved very satisfactory to all concerned. The various building operations which will be taken up later in these columns were cause for gratification and the plans of the corporation met with approval on all hands. The visitors were served with refreshments and spent a very pleasant afternoon. The matter of the restricted district in which sanitariums are prohibited was brought up during the visit. The north boundary line of the district as at present defined runs through the main building of the sanitarium property, the old Reid residence. It is probable that the line will be so changed as to prevent interference with the development plans of the company without materially affecting the restricted district. The city trustees will take up the matter soon." The Woman's Club passed the following resolution: "Resolved, that the city of Sierra Madre ought to limit as closely as possible the district in which sanitariums for tubercular patients are maintained, etc." At that time the club virtually declared in favor of sanitariums. Let me forget: Was not an attempt made to aid in the floating of a bond issue for the sanitarium? Had the bonds been floated, the scheme engineered and backed properly, would there have been this opposition? January 15th, 1909, it was not looked upon as an "undesirable business" and it was welcomed. June 18th, 1909, the Board of Trade did not consider it a detriment or an "undesirable business." The general feeling was to give it support. That here was an opportunity for mutual help in an enterprise that should not be overlooked. July 2nd, 1909, the building operations and the plans of the sanitarium corporation were the cause for gratification and approval of all hands. At that time I remember several of the committee cordially shaking Mrs. Lund by the hand and expressing delight that she had located here. I remember such expressions as "Best site in Sierra Madre for a sanitarium. Fine thing for those sick. We'll do all we can to help you, Mrs. L." and as we walked down the hill I have a dim recollection of someone saying: "This is a good thing. Fine thing. I wish all the sick in Sierra Madre could come up here. I don't believe our climate can be beat in the world for lung trouble." Why do we forget? The Woman's Club declared for it. The sanitarium has been upheld by our civic bodies for years back. Why change the conditions? The Woman's Club was satisfied then, why not now? Why this sudden discovery that a sanitarium is a detriment to property, an undesirable business, will depreciate property. At the very time El Reposo sanitarium was being talked of, January 15th, 1909, and new buildings going up, Miss T. H. Graham, according to the same news item, was having plans drawn for her magnificent buildings. If it was such a detriment to property interests, such an undesirable business, such a menace, would this great change have taken place on Lima, Sunnyside and Highland streets? Everyone who built knew of its existence. Many pieces have changed hands and brought full valuations according to real estate men. Where the depreciation, the detriment, the undesirability, the menace? "Misrepresentation" is the cry of the S. M. I. and P. A. (Opponents of the sanitarium). There are, but on which side? Dr. Shepard was not refused a permit in Monrovia. Dr. Shepard wished to erect a second sanitarium there, Dr. Pottinger's being in exist-

ence. He applied for a permit. The city trustees decided to call an election and put it to a vote of the people. An ordinance was passed. No further official action can be found on their records. From authentic information it is learned they put it to a straw vote. Dr. Shepard won by 44 votes. Remember, a straw vote, calling upon citizens promiscuously. Dr. Shepard was not refused, but given the right to go ahead. He endeavored to close the deal. The reality men could not give him a clear title, or there was some real estate quibble. After wasting several weeks he abandoned the project, went to Needles and conducted successfully his sanitarium there. Again the Sierra Madre Improvement and Protective Association say: "Remember how many of the statements of the Sanitarium Company have been shown to be deliberately inaccurate and made to create prejudice." What are they? Mention them? Again they say: "The Sanitarium Company is being assisted by interested parties." Ye gods! Would you have disinterested parties from Watts or Calabasas? Certainly it is being assisted by interested parties. Is not your side an interested party with thirteen officers? Beg pardon, you raised the directorate to fifteen officers. Interested? Sure, morally, mentally, physically and financially. Walk up the hillside to the sanitarium site. Look down into the valleys and across that great space from the Puente hills and away off to the Malibu range. Turn and look at the mountains on the north. Stand there of an evening and watch the fast fading colors in the southern skies, watch the glories of the heavens as day changes into night. On a clear morning watch the sunrise among the hills on the east and the dawn awakening. If your mind is clear you cannot but feel the thrill brought on by the magnificence, the grandeur, the greatness of it all. Yet, it is a small portion of this earth and we are mere pigmies in comparison. Think of the many sick and afflicted, struggling for the breath of life, the unfortunate, the destitute, the friendless and the lonesome and your lack of consideration and appreciation for them; fighting to deprive these mortals of a place nature intended for them, a place where they can get the sunshine, the climate, the surroundings, the view. These things mean more to many of them than to you and I. As a member of the "Sick and Relief" committee of a certain lodge I have realized this more and more. I have visited sanitariums. I have been with the sick at the last hour. As I said before, you and I and others can move away and enjoy our social, commercial and civic lives elsewhere. It is not so with them. They cannot. They must live here. It is here their days are lengthened. It is here they should be permitted to come without opposition. It is this place that is known as one of the few selected places. Why deprive them? You say the sanitarium patient is not the individual health seeker. What are they? Triplets or twins? You say the climate is just as good along the foothills as within the city limits. Who owns the climate? Do you get a claim on the climate when you buy the land? What rights have we to legislate beyond the city limits? "Charity to all. Justice to all. Faith, Hope and Charity, and the greatest of these is Charity." I believe these are some of the tenets of a well established order. Where is the charity? Where the justice? If the Supreme Body of that order selected this site for tubercular brothers, would you fight it? Where would the help be for the sick and distressed? The widow's son; the man away from family ties, from all that is sweet and dear to him. The whole principle of this opposition is based on selfishness, on dollars and cents, not on the principle of whether it is right or wrong. There is not one atom of humanitarian or philanthropic motive that I can find in the whole opposition. An absolute "how it affects me" attitude. I wish to say to some of the officers of the S. M. Improvement and Protective Association that this is not a personal matter in any way. I have no personal animosity against any of your delegation. I am not making a political or personal fight. It is for a principle which I think and feel is right. In a fight for a principle some apparently personal references have to be made to uphold one's contention. You have personally referred to Dr. Shepard in your statements. This side must make some personal references regarding the issue. I have no feeling of animosity even if some of my opponents omit the "glad hand" which was so prominent before. Think this over.

Yours respectfully,  
JACK H. WRIGHT.

## SCHOOL BOND ELECTION NOTICE

Notice is hereby given to the qualified electors of Sierra Madre City School District of the County of Los Angeles, State of California, that in accordance with the provisions of the Political Code of the State of California, an election will be held on the 15th day of June, 1914, at the school house in said District, between the hours of 8 a. m. and 6 p. m. (during which period and between which hours the polls shall remain open), at which election the question of issuing and selling bonds of said district to the amount of Twelve Thousand, Five Hundred Dollars for the purpose of raising money for purchasing school lots, for building or purchasing one or more school buildings, or making alterations or additions to any school buildings with furniture or necessary apparatus and for improving school grounds, will be voted upon.

The said bonds thereunder to be issued and sold shall be of the denomination of Five Hundred Dollars each, and shall bear interest at the rate of 5 1/2 per cent per annum, payable annually, and shall be numbered from 1 to 25 consecutively, payable as follows, to-wit:

- Bond No. 1, Five Hundred Dollars, to run 1 year.
- Bond No. 2, Five Hundred Dollars, to run 2 years.
- Bond No. 3, Five Hundred Dollars, to run 3 years.
- Bond No. 4, Five Hundred Dollars, to run 4 years.
- Bond No. 5, Five Hundred Dollars, to run 5 years.
- Bond No. 6, Five Hundred Dollars, to run 6 years.
- Bond No. 7, Five Hundred Dollars, to run 7 years.
- Bond No. 8, Five Hundred Dollars, to run 8 years.
- Bond No. 9, Five Hundred Dollars, to run 9 years.
- Bond No. 10, Five Hundred Dollars, to run 10 years.
- Bond No. 11, Five Hundred Dollars, to run 11 years.
- Bond No. 12, Five Hundred Dollars, to run 12 years.
- Bond No. 13, Five Hundred Dollars, to run 13 years.
- Bond No. 14, Five Hundred Dollars, to run 14 years.
- Bond No. 15, Five Hundred Dollars, to run 15 years.
- Bond No. 16, Five Hundred Dollars, to run 16 years.
- Bond No. 17, Five Hundred Dollars, to run 17 years.
- Bond No. 18, Five Hundred Dollars, to run 18 years.
- Bond No. 19, Five Hundred Dollars, to run 19 years.
- Bond No. 20, Five Hundred Dollars, to run 20 years.
- Bond No. 21, Five Hundred Dollars, to run 21 years.
- Bond No. 22, Five Hundred Dollars, to run 22 years.
- Bond No. 23, Five Hundred Dollars, to run 23 years.
- Bond No. 24, Five Hundred Dollars, to run 24 years.
- Bond No. 25, Five Hundred Dollars, to run 25 years.

That S. R. G. Twycross will act as Inspector and W. P. Caley and L. Dietz will act as the Judges of said Election, and conduct the same, said Inspector and Judges being competent and qualified electors of said School District.

IN WITNESS WHEREOF, we have hereunto set our hands this 12th day of May, 1914.

EDWARD T. PIERCE,  
ESTELLE H. FENNEL,  
J. H. WRIGHT,

Trustees of said School District,  
Los Angeles County, California.

## RULES OF CONDUCT.

Never put off till tomorrow  
what you can do today.  
Never trouble another for what  
you can do yourself.  
Never spend your money before  
you have it.  
Never buy what you do not  
want because it is cheap. It will  
be dear to you.  
Pride costs us more than hunger,  
thirst and cold.  
We never repent of having eaten  
too little.  
Nothing is troublesome that we  
do willingly.  
How much pain have cost us  
the evils which have never happened.  
Take things always by their  
smooth handles.  
When angry count ten before  
you speak; if very angry, a hundred.—Thomas Jefferson.

## FLOWERS WITHOUT FRUIT.

Prune thou thy words. The  
thoughts control  
Not o'er the swell and throng.  
They will condense within thy  
soul  
And change to purpose strong.  
But he who lets his feelings run  
In soft, luxurious flow,  
Shrinks when hard service must  
be done  
And faints at every woe.

Faith's meannest deed more favor  
bears  
Where hearts and wills are  
weighed  
Than brightest transports, choicest  
prayers.  
Which bloom their hour and  
fade.  
—John Henry Newman.

## WOMAN'S CLUB NOTES

Miss Clara Palmer, head of the department of home economics in the Los Angeles State Normal School, spoke before the Woman's Club Monday on the home making course which may be a part of next year's work in our public school. She said that the responsibility for its success will devolve largely on the parents. To insure the best results parents must keep in touch with the teacher, allow the children to put into practice at home what they have learned in school and encourage them with some words of praise.

One of her reasons for feeling that cooking and other phases of home making should be taught at school is to have children realize the importance of this work. Many mothers, according to Mrs. Palmer, do not. But in school because of the different attitude maintained not only cooking but dish washing, cleaning, scrubbing and everything pertaining to the care of a home becomes important and therefore enjoyable.

Prof. E. T. Pierce, president of the board of trustees, spoke briefly, telling what had been done to improve our school facilities during the past few years, and expressing himself as believing the time is now ripe for another advance along the line of the practical.

Three things the trustees wish to see accomplished by the beginning of the next school year—the building of a model cottage where the proposed home making course may be properly taught, an assembly room, and a kindergarten. Prof. Pierce asks for a large vote on the bonds Monday as he feels it will not be encouraging to the board to have them carry with only a small number voting.

Saturday morning the club house will be open for a patriotic celebration as the fourteenth is Flag Day. Several short addresses will be given. Capt. Osgood is in charge of the arrangements.

A benefit card party in charge of Mrs. W. W. Collins will be given at the club house Friday evening, the 19th. Details will be announced later.

Dainty place cards in many new designs, at the News Printery, next the postoffice.

## DO YOU KNOW THE

## Famous Katzenjammer Kids?

If you do you'll be tickled most to death to hear that they have "come back." If you don't know them now's the time to get acquainted.

The kids are funnier than ever and chuck-full of new tricks and jokes. They surely have their fun, but usually pay for it in the end.

Don't miss seeing them every Sunday in the Comic Section of the

## ORDINANCE NO. 185

An Ordinance of the Board of Trustees of the City of Sierra Madre Amending Ordinance No. 47 of the Ordinances of the City of Sierra Madre by Amending Section I Thereof.

The Board of Trustees of the City of Sierra Madre do ordain as follows:

SECTION I. That Section 1 of Ordinance No. 47 of the ordinances of the City of Sierra Madre be amended to read as follows:

"Section 1. That there is hereby created a park commission to consist of three members to be appointed by the Board of Trustees from among the citizens of Sierra Madre, men and women both being eligible."

SECTION II. The City Clerk shall certify to the adoption of this ordinance and shall cause the same to be published once in the "Sierra Madre News," a weekly newspaper published and circulated in the City of Sierra Madre, and hereby designated for that purpose, and from and after 30 days from such publication same shall take effect and be in force.

The foregoing ordinance was adopted at an adjourned regular meeting of the Board of Trustees of the City of Sierra Madre on the 2nd day of June, 1914, by the affirmative vote of at least three trustees, to-wit:

Ayes: Trustees Beard, Pegler, Steinberger, Tarr and Jones.

Noes: None.

Absent: None.

Signed and approved this 2nd day of June, 1914.

C. W. JONES,

President of the Board of Trustees.

Attest:

C. H. PERRY,

City Clerk.
